

On June 12th, members of the alumni executive attended the centenary celebration for St. John's Branch Library. Newest association member, Ron Romanowski, speaking on behalf of the alumni, emphasized the importance of this library not only to St. John's students past and present but also to the entire community. After reciting his poem "Mother Reader and Her Children", Ron presented our cheque for \$5,000 to Rick Walker, Manager of Winnipeg Library Services to be used for the St. John's library renovations. Alumna Sandy Hyman, chair of the Winnipeg Library Foundation urged all present to spread the word to former classmates and friends about the fundraising campaign.
